

ABDI'S RESPONSIBILITIES

It is morning. Abdi is very tired because he stayed up late to play video games. His mom tells him that it's time for breakfast, but Abdi is still sleepy.

Soon after, Abdi hears his mother cooking breakfast. It smells good! He gets out of bed to ask for his food. His mom tells him that he needs to brush his teeth and wash his face before he can eat. After breakfast, Abdi goes to his room to dress for school. His mother calls him – he forgot to put his plate and cup in the sink. Oops! Abdi clears his dishes and finishes getting dressed.

At school, Mr. Jones asks everyone to write in their journals. Abdi doesn't like writing because he has difficulty coming up with his own ideas. He draws in his journal instead.

Mr. Jones asks him if he needs help. Abdi listens to her ideas and starts to write. He doesn't have enough time to finish his sentence before recess. Mr. Jones tells Abdi that he needs to stay inside until it is done.

It is Abdi's turn to be the lunch monitor. He checks to see if everyone remembered to put their lunch boxes away. Everyone did!
